Emilia Romagna Music Commission

promotes the music industry
and the professional growth
of artists and producers
throughout the region.
It supports the work of professionals
active in the music sector thanks to:

- **Financing**
- **Production Guide**
- **Promotion of the training,
professional and entrepreneurial
offer of the territory and of
the projects supported by the
Regional Law on music**
- **Global promotion of the music industry
of Emilia-Romagna through the Music
Export Office created in collaboration with
Ater Fondazione**

SAVANA FUNK embody the essence
of the live band by combining funk, rock
and blues with incendiary jams, irresistible
grooves and an enviable stage presence,
with a fast-growing loyal audience and a
growing number of concerts throughout
Europe.
